CHAPTER 10. SAFE SCHOOLS

GENERAL PROVISIONS

§ 10.1. Statutory authority

The statutory authority for this chapter is Article XIII-A of the Public School Code of 1949 (24 P.S. §§ 13-1301-A—13-1313-A (relating to safe schools)), including specifically section 1302.1-A (24 P.S. § 13-1302.1-A (relating to regulations)).

§ 10.2. Purpose

The purpose of this chapter is to establish and maintain a cooperative relationship between school entities and local police departments in the reporting and resolution of incidents that occur on school property, at any school sponsored activity, or on a conveyance as described in the Safe Schools Act (such as a school bus) providing transportation to or from a school or school sponsored activity.

§ 10.3. Definitions

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Chief school administrator—The superintendent of a public school district, executive director of an area vocational-technical school, executive director of an intermediate unit or chief executive officer of a charter school, including a cyber charter school.

IEP—Individualized education program.

Incident—An instance involving an act of violence, the possession of a weapon by any person, the possession, use, or sale of a controlled substance or drug paraphernalia as defined in The Controlled Substance, Drug, Device and Cosmetic Act, as amended (35 P.S. §§ 780-101 – 780-144), the possession, use, or sale of alcohol or tobacco by any person on school property, or conduct that constitutes an offense under section 1303-A(b)(4.1) or (4.2) of the School Code (24 P.S. § 13-1303-A(b)(4.1), (4.2) (relating to reporting)).

police department as required by section 1303-A(c) of the School Code (24 P.S. § 13-1303-A(c)).

Positive behavior support plan—A plan for a student with a disability or eligible young child who requires specific intervention to address behavior that interferes with learning. A positive behavior support plan is developed by the IEP team, is based on a functional behavior assessment, and becomes part of the individual eligible young child’s or student’s IEP. These plans include methods that utilize positive reinforcement and other positive techniques to shape a student’s or eligible young child’s behavior, ranging from the use of positive verbal statements as a reward for good behavior to specific tangible rewards.

A school-based diversion program may include a youth aid panel in which a panel of community members decides an appropriate resolution to hold a student accountable for the student’s actions by, among other options, requiring the student to complete educational activities, community service, restitution and any other related program or service.

School-wide positive behavior support—A school-wide, evidence-based and data-driven approach to improving school behavior that seeks to reduce unnecessary student disciplinary actions and promotes a climate of greater productivity, safety and learning.

School entity—A public school district, intermediate unit, area vocational-technical school or charter school, including a cyber charter school.
